

Individual Member (IM)'s Expectations

Expectations for Individual Members (IM)s:

- Register and confirm as IM by filling out personal profile and 1+ project (or project idea) on wiki upon start as an IM
- Additional 2nd+ project (or project idea) added to the wiki within first year
- Regular communication with the WSCSD, primarily with Director of Internal Relations, through email, web chats, or phone.
 - At least once a month
 - Also including new posts on wiki or contribution to newsletter, i.e. some sign of existence in the sustainability community
- Regular input of projects the IM is involved in to wiki, and/or ideas for new projects
- Input of IM's resources for others in the WSCSD to the wiki
- Contribution to the monthly newsletter at least 2x per year
- Concerted effort/desire to attend annual meeting and Student Summit (see WSCSD support)

Expectations of WSCSD support:

- Access to network of motivated young people taking action for sustainability
- Access to resources – advisory board, toolkits, events, etc
- Support through advice, contacts, ideas
- For annual meeting and Student Summit attendance, host SC and WSCSD will together work towards providing financial support for IMs needs basis; **on merit of application and depending on availability of funding.**
- Through our advisory committee offer mentorship and advice on development of projects and potential seed funding in the future.
